**Azerbaijan National Academy of Sciences
Institute of Radiation Problems**

Journal of Radiation Researches

**Volume 1, No.1
2014
Baku**

Editor-in-chief

Adil Garibov – ANAS corres. memb., director of the ANAS IRP

Associate Editor

Ibrahim Gabulov - PhD in phys-math, deputy director of the ANAS IRP
Matanat Mehrabova - PhD, associate professor

International Advisory Board

Andrzej Chmielewski - Prof. general director, Institute of Nuclear
Chemistry and Technology, Warsaw, Polska
Alexander Yermakov – Prof., Dr. in chemistry, head of lab., Institute of Energetic
Problems of Chemical Physics, Russian Academy of
Sciences
Vladimir Fateev – Prof. Director of Hydrogen Energy and Plasma Technology
Institute of RRC “Kurchatov Institute”, Russia
Fadey Komarov – NAS of Belarus corres. memb., head of lab. of the Science-
Research Institute for Applied Physical Problems
of the Belarusian State University
Mikhail Bondarkov – Prof. director of International Radio-ecological
Laboratory, Chernobyl Center, Ukraine

Editorial Board

Arif Maharramov – Dr. in phys.-mat. head of lab., ANAS IRP
Elmkhan Jafarov – Dr. in biol., head of lab., ANAS IRP
İslam Mustafayev – Prof., head of lab., ANAS IRP
Mahmud Abdullayev– ANAS corres. memb., head of lab., ANAS IRP
Muslum Gurbanov – Prof., head of lab., ANAS IRP
Namik Rashydov - Dr. in biol., head of lab, NAS of Ukraine
Rahim Madatov– Prof., head of lab., ANAS IRP
Rauf Sardarli – Prof., head of lab., ANAS IRP
Ravan Mehdiyeva – PhD, assoc. prof., deputy director, ANAS IRP

The journal has been published by “Elm” publishing house of ANAS.
The journal is published twice a year

INSTRUCTION FOR AUTHORS

1. The Journal of Radiation Researches accepts original unpublished articles and book reviews in the following **fields**: - peaceful use of nuclear energy, nuclear physics, nuclear and radiation safety, radioecology, application of nuclear and radiation technologies and methods, acquire and use of nuclear knowledge.
2. Articles have to be written in English. We would like to inform you that the articles should be submitted in Russian besides its English version.
3. **File format** should be compatible with Microsoft Word formats. The margins sizes of the page: - top 2cm, bottom 2sm, left 3sm, right 1.5sm. The article main text should be written in 12 point type size, single spaced. Articles should be submitted in triplicate, should be written in 12 point type size and typed on one side of A4 while article. The article title should be centered on the page and in bold capitals. The writer's name should be centered on the page under the article title with one space between the two, followed by the author's email.
4. The maximum number of pages for an article should not exceed 10 pages.
5. The article should be sent either in the CD together with the signed statement or to the electronic mail (interproj-irp@yandex.ru) of the Journal. The submitted article should follow the following: -Article title, author's name, address, article abstract, list of key words, text including the results of the research and its significance and reference.
6. **The abstract** should be written in 11 point type size, between 100 and 150 words. The abstract should be written in the language of the text. The abstract of the article should correspond to the context of the article. The conclusion of the research, innovation and practical importance of the article should briefly be noted in the abstract by the author (s). In the abstract, the name of the article and the full name(s) of the author(s) should be written clearly.
7. **The keywords** should not be more than six words.
8. **PACS** alphabetical index should be used in the article.
9. **Figures, pictures, graphics and tables** must be of publishing quality and inside the text. Figures, pictures and graphics should be captioned underneath, tables should be captioned above.
10. **References** should be given in square brackets in the text and listed according to the order inside the text at the end of the article. In order to cite the same reference twice or more, the appropriate pages should be given while keeping the numerical order. For example: [7, p.15].
11. The decision to publish a given article is made by the Journal advisory board through recommendations taken from referees. The referees may ask the author of the article to make amendments to the article prior to publication.
12. The articles should be submitted to the Institute of Radiation Problems of ANAS.
